

Pathways Magazine Advertising Rates and Specifications

Pathways is an official publication of the Canadian Lymphedema Framework (CLF), distributed internationally and across Canada in collaboration with the CLF’s provincial partners. It is a full-colour, professional magazine, and Canada’s only lymphedema magazine. *Pathways* addresses the need for lymphedema awareness and education among patients, those at risk, and the various professionals who support their care.

Content

Canadian and International experts contribute evidence-based material for regular columns including Clinical Perspectives, Research Advances, Medical Updates, Case Studies, Patient Perspectives and Ask the Expert.

Circulation

- 2022-23 estimated print readership 40,000 (based on a readership ratio of 5:1).
- 2022-23 estimated controlled circulation 4,000 copies with growth expectation of 10% in subsequent years.
- Geographical breakdown: Western Canada 25%, Ontario and East 73%, USA and International 2%.
- Markets served: lymphedema treatment centres, therapists, physicians, lymphedema educators, hospitals, universities, cancer centres, health policy makers, support groups, industry, national and international conferences, community organizations, community care workers, retail distributors, patients, and those at risk.
